TAGS NEEDS YOU

Greyhound rescue and adoption is always about "need" and TAGS is no exception.

- TAGS *needs* to take in more Greyhounds retired from racing.
- TAGS *needs* to take dogs from shelters.
- TAGS *needs* to find the best possible lifetime homes for Greyhounds.
- TAGS *needs* to assist adopters after adoption.
- TAGS *needs* to find more foster homes so more dogs can be taken into its adoption program.
- TAGS *needs* donations to pay for the Greyhounds' medical expenses.

- TAGS *needs* donations because that is the only way TAGS will stay in business.
- TAGS *needs* more volunteers to help operate the organization.
- TAGS *needs* YOU!

These needs will never change. TAGS, like other non-profit groups, operates because of the kindness and generosity of others.

TAGS' No. 1 need is more foster homes. Because TAGS has no kennel space, the number of Greyhounds in its program is limited by the number of foster homes it has.

You love your pets. You could love a Greyhound, too, and be instrumental in finding a lifetime home for that dog (it could be yours). Ask anyone who fosters for TAGS.

Finances are tight, but maybe you have a few extra dollars you could re-allocate to make a tax deductible donation to help TAGS' Greyhounds.

We all have busy lives, but you must have a few extra hours to give.

We all have friends and coworkers who are "dog people". Pass this message along to them. The more people who know the "needs" the better chance TAGS has to "snag a new recruit."

What's holding you back? We know you have something to offer. Please take a chance. Help TAGS Greyhounds find the retirement life they deserve.

Send an email to TAGS at tagsintx@gmail.com or call TAGS at 214-368-TAGS(8247) to let us know what you can do to help, or make an on-line tax deductible donation.

RECOMMEND YOUR VET

If you have a veterinarian who is good with Greyhounds, please [send](#) your recommendation (name, address, phone number and email address and/or website) to TAGS. New adopters always ask about vets with Greyhound experience. Adopters live in all areas of the metroplex so we would like to spread the word around. We'll post a list on the TAGS website.

CHECK OUT TAGS' WEBSITE

The [TAGS website](#) underwent a facelift several months ago. If you haven't checked it out, please do. Look at all of the buttons. There's lots of good information and photos. We'd love to have your feedback. Join the [TAGS Facebook page](#) and talk with other Greyhound owners and supporters.

GREYHOUND LURE COURSING - SAVE THE DATE

Save the Date!!! Saturday, October 22, 2011, will be a Greyhound-only lure coursing day at the farm of Sam and Deann Haggard in Celina. It doesn't matter that your dog has never lure coursed. It doesn't matter that you don't think your Greyhound has the will to run the course. What matters is that you and your Greyhounds want to have a day of fun in the country. There will be a play yard for the dogs that do not want to lure course or those that are resting from the last trip around the course. Lunch will be served. Raffle items will be available. More details and reminders will follow. Put it on your calendar.
